

The Chainsmokers, Paris

We were staying in Paris
To get away from your parents
And I thought "Wow"
If I could take this in a shot right now
I don't think that we could work this out

Out on the terrace
I don't know if it's fair
But
I thought "How could I let you fall by yourself
While I'm wasted for someone else"

If we go down then we go down together
They'll say you could do anything
They'll say that I was clever
If we go down then we go down together
We'll get away with everything
Let's show them we are better
Let's show them we are better
Let's show them we are better

We were staying in Paris
To get away from your parents
You look so proud standing there with the flower and the cigarette
Posting pictures of yourself on the internet

Out on the terrace
We breathe in the air of this small town
On our own
Cut in class for the thrill of it
Getting drunk on the past we were living in

If we go down then we go down together
They'll say you could do anything
They'll say that I was clever
If we go down then we go down together
We'll get away with everything
Let's show them we are better

Show them we are
Let's show them we are
Let's show them we are
Let's show them we are
Let's show them we are better
We were staying in Paris

Let's show them we are better
Show them we are
Show them we are
Show them we are
Show them we are
Let's show them we are better

If we go down then we go down together
They'll say you could do anything
They'll say that I was clever
If we go down then we go down together
We'll get away with everything
Let's show them we are better
