The Click Five, I Think We're Alone Now

Children behave That's what they say when we're together And watch how you play They don't understand and so we're

Runnin' just as fast as we can Holdin' on to one another's hand Tryin' to get away into the night And then you put your arms around me And we tumble to the ground And then you say

I think we're alone now There doesn't seem to be anyone around I think we're alone now The beating of our hearts is the only sound

Look at the way
We gotta hide what we're doing
what would they say
they don't understand and so we're

Runnin' just as fast as we can Holdin' on to one another's hand Tryin' to get away into the night And then you put your arms around me And we tumble to the ground And then you say

I think we're alone now
There doesn't seem to be anyone around
I think we're alone now
The beating of our hearts
is the only sound

I think we're alone now There doesn't seem to be anyone around I think we're alone now The beating of our hearts is the only sound

I think we're alone now There doesn't seem to be anyone around I think we're alone now The beating of our hearts is the only sound

I think we're alone now I think we're alone now

I think we're alone now There doesn't seem to be anyone around I think we're alone now The beating of our hearts is the only sound
