

# The Corrs, Make You Mine

"Wandering, waiting for the day to fade away  
So I can hold you  
Once again and chase the fears away  
Lie with me  
Show me how you feel  
I'm falling for you deeper everyday

But when the night turns over  
I'll lie with you  
When the morning wakes you  
I'm there by you  
When the daylight takes you  
I'll miss you  
'Til you come back home to me  
When I can make you mine, oh mine ... oh yeah

Wanting you  
Every waking moment I'm on fire (I'm on fire / I'm on fire)  
Always needing you  
I'm aching for you only, I'll never tire  
Promise me  
This is how we'll be  
I'm falling deeper everyday

But when the night turns over  
I lie with you  
When the morning wakes you  
I'm there by you  
When the daylight takes you  
I'll miss you  
'Til you come back home to me  
When you come back home to me

I'll break you  
I'll chase you  
You'll find that you can't stand to be away  
not for a day (not for a day)  
And when life defies you  
I'll be the soul you'll never go astray  
And you'll be mine iine, mine, mine, mine

(Lie with me, loose reality)  
I'm falling deeper everyday  
So when the night turns over  
I'll lie with you  
When the morning wakes you  
I'm there for you  
When the daylight takes you  
I'll miss you  
'Til you come back home to me  
And I can make you mine  
When the night turns over  
I'll lie with you  
When the morning wakes you  
I'm there by you  
When the daylight takes you  
I'll miss you  
'Til you come back home to me  
And I can make you mine, oh mine ... oh mine ... ohoh mine  
"
