The Corrs, Make You Mine

"Wandering, waiting for the day to fade away So I can hold you Once again and chase the fears away Lie with me Show me how you feel I'm falling for you deeper everyday

But when the night turns over I'll lie with you
When the morning wakes you
I'm there by you
When the daylight takes you
I'll miss you
'Til you come back home to me
When I can make you mine, oh mine ... oh yeah

Wanting you
Every waking moment I'm on fire (I'm on fire / I'm on fire)
Always needing you
I'm aching for you only, I'll never tire
Promise me
This is how we'll be
I'm falling deeper everyday

But when the night turns over I lie with you When the morning wakes you I'm there by you When the daylight takes you I'll miss you 'Til you come back home to me When you come back home to me

I'll break you I'll chase you You'll find that you can't stand to be away not for a day (not for a day) And when life defies you I'll be the soul you'll never go astray And you'll be mine iiine, mine, mine, mine

(Lie with me, loose reality) I'm falling deeper everyday So when the night turns over I'll lie with vou When the morning wakes you I'm there for you When the daylight takes you I'll miss you 'Til you come back home to me And I can make you mine When the night turns over I'll lie with you When the morning wakes you I'm there by you When the daylight takes you I'll miss you 'Til you come back home to me And I can make you mine, oh mine ... oh mine ... ohoh mine "
