The Corrs, No Good For Me

I see a home in a quiet place I see myself in a strong embrace And I feel protection from the human race It's not parental

But it's a fantasy, not a reality And it's no good, no, no good for me, you have no idea

That I'm walking through the clouds
When you're looking at me
I'm feeling like a child
Vulnerability
I am shaking like a leaf if you move beside me
And you're all that I see
But it's no good for me

You have a home (You have a home), in a quiet place And someone else feels your strong embrace She is protected and she needs no chase And do you love her???

You're a mystery, you are the heart of intrigue You're no good no no good for me You have no idea

That I'm walking through the clouds
When you're looking at me
I'm feeling like a child
Vulnerability
I am shaking like a leaf if you move beside me
And you're all that I see
But it's no good for me
No it's no good for me, no good for me

It's a make-believe, you have no idea
That I'm walking through the clouds
When you're looking at me
I'm feeling like a child
Vulnerability
I am shaking like a leaf if you move close to me
And you're all that I see
But it's no good for me

Through the clouds
When you're looking at me
I'm feeling like a child
Vulnerability
I am shaking like a leaf if you move beside to me
And you're all that I see
But it's no good, no good for me
