

The Corrs, Radio

It's late at night, and I'm feeling down
There's couples standing in the street
Sharing summer kisses and silly sounds

So I step inside, pour a glass of wine
With a full glass and empty heart
I search for something to occupy my mind

'Cause you are in my head
Swimming forever in my head
Tangled in my dreams
Swimming forever

So I listen to the radio (listen to the radio)
And all the songs we used to know (listen to them)
So I listen to the radio (listen to the radio)
Remember where we used to go

Now it's morning light, and it's cold outside
Caught up in a distant dream
I turn and think that you are by my side
So I leave my bed and I try to dress (I try to dress)
Wondering why my mind plays tricks
And fools me into thinking you are there

But you're still in my head
Swimming forever in my head
Not lying in my bed
Just swimming forever

So I listen to the radio (listen to the radio)
And all the songs we used to know (listen to them)
So I listen to the radio (listen to the radio)
Remember where we used to go

So I listen to the radio (listen to the radio)
And all the songs we used to know (listen to them)
So I listen to the radio (listen to the radio)
Remember where we used to go

You are in my head
Swimming forever

So I listen to the radio (listen to the radio)
And all the songs we used to know (listen to them)
So I listen to the radio (listen to the radio)
Remember where we used to go

I listen to the radio
To all the songs we used to know (listen to them)
I listen to the radio (listen to the radio)
To all the songs, all songs we used to know hey (listen to the radio)
All songs we used to know (listen to the radio)
All songs we used to know
