The Cure, Freakshow

I cant believe it I must be dreaming She turns the sound down Says I am heaving This is a freakshow And I am screaming

She spins the world round I want to stop

Bitter sweet again
Her opening move
Down and out in black
Soft shiny and smooth
Looks like the alien crowd got groove
She burns her name into my arm
But I can never get through

To play the game
Shes trying to lose
Her ultraviolet
Makes it harder to choose
Looks like the edge of the earth got moved
She blurs a way across the floor
I spin to swallow the view

And its the same sway Yeah its the same slide Its the same stare Oh its the same smile Yeah its the same but Its not quite right

Oh its insane
She shakes like a freak
Stuck in the middle of the room
For a week
Looks like the only way to get on the beat
Is take her up on how to swing
But I am missing my feet

And its the same sway Yeah its the same slide Its the same swish Oh its the same smile Yeah its the same but Its not quite right

Im in a step out! Shes two more steps down! For three steps up clap! And go around ow! It makes my head buzz She wants to come now I try to stop

Always infradig Her finishing move Up and down in black Soft shiny and smooth Looks like the alien crowd got groove She cuts a number out my arm But I can never get through

To play this game
Shes trying to lose
The stuff from mars
Makes it harder to choose
Looks like the final frontier got moved
She blurs a way across the floor
I spin to swallow the view

And its the same sway Yeah its the same slide Its the same strip Oh its the same smile Yeah its the same but Its not quite right

I cant believe it I must be dreaming She turns the lights up Says she is leaving This is a freakshow And I am beaten

She spins the world round I have to stop
