## The Cure, Six Different Ways

This is stranger than I thought Six different ways inside my heart And every one I'll keep tonight Six different ways go deep inside

I'll tell them anything at all I know I'll give them more and more

I'll tell them anything at all I know I'll give the world and more They think I'm on my hands and head This time they're much too slow

Six sides to every lie I say It's that American voice again "It was never quite like this before Not one of you is the same... "

This--this is stranger than I ever thought Six different ways inside my heart And everyone I'll keep tonight Six different ways go deep inside
