

# The Cure, Trust

There is no-one left in the world  
That I can hold onto  
There is really no-one left at all  
There is only you  
And if you leave me now  
You leave all that we were  
Undone  
There is really no-one left  
You are the only one

And still the hardest part for you  
To put your trust in me  
I love you more than I can say  
Why won't you just believe?
