

The Donnas, Bitchin'

You're gonna listen up

We're gonna take you over

You're gonna lick it up

And you're gonna want more, more, more, more!

This is what it sounds like, When heads roll!

This is what it sounds like, We're all going down!

This is what it sounds like, and you're gonna want more, more, more, more!

More! More! More! So hold on tight!
