## The Doors, Heartbreak Hotel

Since my baby left me, I found a new place to dwell. It's down at the end of lonely street, That's -You feel so lonely, baby. I am so lonely. Feel so lonely, I could die. Although it's always crowded, You still can find some room. For broken-hearted lovin' Is to cry back in your gloom. I feel so lonely, baby. So lonely. Feel so lonely, I could die. Although it's always crowded, You still can find some room. For broken-hearted lovin' Is to cry back in your gloom. Feel so lonely. Feel so lonely. Well I feel so lonely, I could die.
