

# The Doors, Woman Is A Devil

Me and the devil,  
Walking side by side.  
Me and the devil,  
Going to take you on a long and evil ride.

The woman is a devil,  
That's what I've been told.  
Woman is a devil,  
That's what I've been told.  
She'll take all your money,  
Then she'll spend all your gold.

All right.

The devil is a woman.  
She's a woman.  
Well I play my acts, honey  
She take the whole damn role.

Keep on going, now, come on.  
All right play it, yeah.

One more time.

Well she feel like dying.  
Only twenty-one.  
Well she feel like dying,  
But she's only twenty-one.  
She's not the only,  
She's not the only one.

All right, all right, all right.  
All right, all right.  
Gonna save the whole world.  
All right.
