

The Fall, Ol' Gang

Walking down the street
Just the other night
I turned the corner to a fist fight
And I look-ah
I look-ah
I look around
Ol' Gang
Ol' Gang
Not around
Ol' Gang
Pretty short
Ol' Gang
Wants to get off home
Ol' Gang
Management
Programmes
Ol' Gang
I was walking down the street
Just the other night
Ol' Gang
Ol' Gang
Walking down the street
Give me small bother
Went around the corner
Feeling pretty mad
Well God damn it's
Ol' Gang
