

# The Fall, Pumpkin Head Xscapes

Laughing now?  
You happy now?

As the senile morons who run KLF (flats/blast)  
KLF (flats/blast) in their brains

Pumpkin head escapes  
Pumpkin head escapes

We're coming, we're coming, Leo  
We're coming, we're coming, Leo

But you will not appreciate anything on your life  
until your life veers straight to the cross  
Full autobiography self-pity crap

Searching now, you happy now x4

We're coming, we're coming, Leo x3

They shall be filled with grit, curry and karaoke \*

We are do-nowts  
We are do-nowts

Happy now?

You happy now x3

Pumpkin head escapes  
Pumpkin head escapes

We're coming, we're coming, Leo  
We're coming, we're coming, Leo

Smell, clogged up the trains  
We are not adults  
We are crusty mystics

Laughing now?  
You happy now?  
Laughing now?  
You happy now?

We're coming, we're coming, Leo x3

Dear Gormless, go about your business  
A nightmarish scheme of horrendous proportions

I, as the producer, think the dark crystal moon looked blue faced into my snatch
