

# The Finalist, Ready To Explain

i think i'm ready to explain  
how much my words were in vain  
beautiful girl in the rain  
she takes my breath away  
i don't know what i'm doing here  
this time i know it's love my dear  
don't cry it's almost over  
why angel can't you see  
just what you mean to me  
don't have to second guess it  
i'll never be the same  
your love is everything  
the light through the doorway hits your eyes  
and in this moment i realize  
she's heaven sent  
she is a god send  
she's everything i wanted  
i don't know what i'm doing here  
this time i know it's love my dear  
don't cry it's almost over  
my angel can't you see  
just what you mean to me  
don't have to second guess it  
i'll never be the same  
your love is everything  
dont you know  
dont you know  
i for one  
am falling in love with you  
(falling in love with you again) x3  
don't cry it's almost over  
my angel can't you see  
just what you mean to me  
don't have to second guess it  
i'll never be the same  
your love is everything  
(falling in love with you again)  
dont you know that  
i for one  
am falling in love with you  
(falling in love with you) x3  
your love is everything
