

# The Forevers, Wonderboy

You are my wonderboy  
You're the one that I adore  
And all the magic you employ  
Makes me feel so happy  
I could fly

You are my wonderboy  
You're the one I most adore  
And all the magic you employ  
All those tricks you do and crazy moves  
Make me feel so ...

You lift me high  
Head above clouds  
Feel so alive  
You set my soul free to roam  
Ready to wing her way  
My wonderboy

You are my wonderboy  
You're the one that I adore  
And all the magic you employ

All those tricks you do and crazy moves  
Make me feel so ...

You lift me high  
Head above clouds  
Feel so alive  
You set my soul free to roam  
Ready to wing her way

Break every rule  
Dance in the rain  
Soak up the sun  
And every place we've ever been  
Becomes a wonderland

Wonderland, my world's a wonderland  
Do not let go of my hand  
My wonderboy full of his magic ways  
Stay stay

You are my wonderboy ...
