

The Go-Go's, Good Girl

I'm going be a good girl
So everybody loves me
I'm gonna do what they say
Let them chose the games that we play

Good girl, good girl
Gonna be a good girl
Good dog, good girl
Gonna be a good girl

I'm gonna smile til it hurts
So everybody loves me
I'll bend over backwards
Swallow all my angry words

Good girl, good girl
Better be a good girl
Good dog, good girl
Gonna be a good girl

Good girl, good girl
Better be a good girl
Good dog, good girl
Gonna be a good girl

All I want is for everyone to love me
All I want is for everyone to love me

I'll get down on my knees
I'll say pretty pretty pretty please

Good girl, good girl
Better be a good girl
Good dog, good girl
Gonna be a good girl

Good girl, good girl
Better be a good girl
Good dog, good girl
Gonna be a good girl

Good girl, good girl
Better be a good girl
Good dog, good girl
Gonna be a good girl
