

The Goo Goo Dolls, Come On

Come on and show me
Just what you mean to me
Come on and show me
Your curiosity
Come on and tell me
Just what I mean to you
Come on and show me
Just what you are

Come on and hold me
Just like you used to do
Come on and squeeze me
Like I'm in love with you
Come on and show me
I picked out who you are
Come on and blame me
I like it now

Come on and stroke me
Just like you would your cat
Come on and show me
I ain't seen nothing yet
Come on and show me
A just a where I'll go
Come on and show me
I wanna know!
