

# The Goo Goo Dolls, Come On

Come on and show me  
Just what you mean to me  
Come on and show me  
Your curiosity  
Come on and tell me  
Just what I mean to you  
Come on and show me  
Just what you are

Come on and hold me  
Just like you used to do  
Come on and squeeze me  
Like I'm in love with you  
Come on and show me  
I picked out who you are  
Come on and blame me  
I like it now

Come on and stroke me  
Just like you would your cat  
Come on and show me  
I ain't seen nothing yet  
Come on and show me  
A just a where I'll go  
Come on and show me  
I wanna know!
