The Good, The Bad and The Queen, Herculean

Standing on the dark canal By the gasworks Celebrate the ghost gone by When all love hurts And the medicine man here 24/7 You can get it fast in Armageddon Everyone on the way to heaven Slowly Call for prayer has come around here In the morning Wash our faces go to work There is no warning That it all gets better when life is straight It's bigger than you and the Welfare State And we'll keep singing it's not too late For you
