

# The Hives, A Christmas Duel

"Pelle":

I bought no gift this year  
And I slept with your sister  
I know I should have thought twice  
Before I kissed her  
But with the year we had last  
And the dress that she wore  
I just went along for the ride  
And I came back for more

And I'm sorry baby...

"Cyndi":

That's all ok honey, 'cause see

I bought no tree this year  
And I slept with your brother  
I wrecked your Daddy's car  
And went down on your Mother  
I set your record collection on fire  
And said I never knew  
Felt kind of bad about that  
And I know you did too

So whatever you say, it's all fine by me  
Who the fuck anyway wants a Christmas tree?

""Both"":

'Cause the snow keeps on fallin' even though we were bad  
It'll cover the filth, we should both just be glad

And spend, spend, spend this Chris-Christmas together

"Pelle":

I married you last year  
Bet you thought I was sober, right? (mm-hmm)  
But I was drunk as a skunk and I made a mistake (you didn't)  
This could all have been over

"Cyndi":

Oh honey please don't  
Excuse your behaviour  
'Cause I hired a hitman and changed your will

""Both"":

It's now all in my favour

So whatever you say, it's all fine by me  
Who the fuck anyway wants a Christmas tree?  
'Cause the snow keeps on fallin' even though we were bad  
It'll cover the filth, we should both just be glad

And spend, spend, spend this Chris-Christmas together  
And spend, spend, spend this Chris-Christmas together  
And spend, spend, spend this Chris-Christmas together  
And spend, spend, spend this Chris-Christmas together

"Pelle":

Holding on without any reason  
'Cause something's strong (something's strong) this holiday season (this holiday season)

""Both"":

So whatever you say, it's all fine by me  
And who the fuck anyway wants a Christmas tree?

'Cause the snow keeps on fallin' even though we were bad  
It'll cover the filth, we should both just be glad

And spend, spend, spend this Christmas together

And spend, spend, spend this Chris-Christmas together (Merry Christmas!)

And spend, spend, spend this Chris-Christmas together (Happy Christmas!)

And spend, spend, spend this Chris-Christmas together (who the fuck wants a Christmas tree anyway)
