yr little hoodrat friend got me high though. we were 17 and stuck up in osseo. she said it's funny ev  
her claddagh ring was pointed at the people. she said "st. theresa comes to me in dreams.&c

i've been dusted in the dark up in penetration park. i've been plastered. i've been shaking hard and  
she said: city center used to be the center of the scene. now city center's over. no one really goes t  
I was waiting for my ride and I got jumped from behind. I got punctured. I got stopped by the cops.
