

# The Innocence Mission, Follow Me

It's by far the hardest thing I've ever known  
To be so in love with you and so alone.

Follow me where I go what I do and who I know  
Make it part of you to be a part of me.  
Follow me up and down all the way and all around  
Take my hand and say you'll follow me.

It's long been on my mind you know it's been a long, long, time  
I'll try to find the way that I can make you understand  
The way I feel about you and just how much I need you  
To be there where I can talk to you when there's no-one else around.

Follow me where I go what I do and who I know  
Make it part of you to be a part of me.  
Follow me up and down all the way and all around  
Take my hand and say you'll follow me.

Follow me where I go what I do and who I know  
Make it part of you to be a part of me.  
Follow me up and down all the way  
Take my hand and I will follow you.
