

The Isley Brothers, Lucky Charm

I dream of you
and me on a ron-de-vou
Somewhere far away
on a trip for two
we'll take a ride a
convertible on a straight highway
Girl nows the time to lay you down and make you mine

(Chorus)

Candy Star, Silver Moon, Cherry Rain, Summer June, Chocolate me, Caramel you, My lucky charm
what you are
Caramel, Candycane, Sweeter than Sugarcane
love it when you call my name
Lucky Charm is what you are

I'll pour some drinks
then we'll play some CD's
I'll take your hand
and pull you
Up close to me
Now tell me can you hear the voice of love calling you and me
Girl nows the time to lay you down and make you mine

(Chorus)

Candy Star, Silver Moon, Cherry Rain, Summer June, Chocolate me, Caramel you, My lucky charm
what you are
Caramel, Candycane, Sweeter than Sugarcane
love it when you call my name
Lucky Charm is what you are

I'll run your bath
girl, You just make yourself at home
Don't have a care
in the world cause we're all alone
Just slip off that robe
and follow the love making sign
Girl nows the time to lay you down and make you mine

(Chorus)

Candy Star, Silver Moon, Cherry Rain, Summer June, Chocolate me, Caramel you, My lucky charm
what you are
Caramel, Candycane, Sweeter than Sugarcane
love it when you call my name
Lucky Charm is what you are

Just like a cereal
Chocolate covered cherrio
Girl, Thats every bit of you
Cherries and Lemon limes do it to me all the time,
Sweet to the last drop
Girl your magicly delicious

(Chorus (till fade))

Candy Star, Silver Moon, Cherry Rain, Summer June, Chocolate me, Caramel you, My lucky charm
