

The Jesus And Mary Chain, Black

And my mood is black
And my eyes are black
And my life is black
And my love is black

Turn the good thing back
Kiss the good thing back
Make the good thing back
Be the good thing back

Nothing here belongs
Nothing here belongs
No one hear is on my side
Nothing here is mine

Guess I get done wrong
Yeah I get done wrong
Guess I get done wrong
Yeah I get done wrong

And the black runs deep
Yeah the black runs deep
I guess the black runs deep
I think the black runs deep

Nothing here belongs
Nothing here belongs
No one hear is on my side
Nothing here is mine

Nothing here belongs
Nothing here belongs
No one hear is on my side
Nothing here is mine

Hey you've been saved
Hey you've been saved

And my mood is black
And my eyes are black
And my life is black
And my love is black

And I guess I can
And I guess I can
Yeah I guess I can
Think I guess I can

Nothing here belongs
Nothing here belongs
No one hear is on my side
Nothing here is mine
