

# The Kelly Family, I'm so happy

Im flying, dancing, Im having some fun  
I emptyd a bottle, Im feeling so young  
My baby she threw me out of the home  
Oh home, out of the home  
Im so happy Im os happy  
I aint got a dime but Im happy  
Im so happy Im so happy  
Got holes in my shoes but Im happy  
I needed some action, I went in to town  
I cought up with people, just hangin around  
I told them my story, theyd heard it before  
Oh oh, theyd heard it before  
Im so happy...  
I cant believe it, she just threw me out  
But do you know what? Im happy  
Im so happy...  
Do you what? Im happy  
Im so happy  
Im so happy Im so happy  
Ive lost all Ive got, but Im happy  
Im so happy Im so happy  
They stole all my clothes but Im happy,  
but Im happy
