The Kelly Family, I Wanna Kiss You

Woke up this morning and I put on my Shoes
Fixed up my hair an then I put on my Rouge
Hopped out my window into your brand New car
Somethings happening between
You and I
Somethings going on deep down inside
Were going dancing baby all through The night
My heart is beating cant be wrong

It feels right

I know for sure that it was love at

First sight

Somethings happening between you and I Somethings going on deep down inside

I wanna kiss you but Im afraid I wanna touch you but Im afraid

Daddys gonna get mad I dont wanna lose you

I wanna kiss you but Im afraid I wanna touch you but Im afraid

Daddys gonna get mad I dont wanna lose you

Last night I dreamed that we were

Running away

The same old story and babe the same Old game

But I know honey this time its not the Same Somethings happening between you and I Somethings going on deep down inside

I wanna kiss you but Im afraid

I guess Im too romantic for you babe

I guess Im too romantic for you babe

Id sail across the Atlantic for you babe

Id sail across the Atlantic for you babe

I wanna kiss you but Im afraid
