

The Kid LAROI, Strangers Pt 2 (Interlude)

First time I met Hailey

I was performing at the, uh, The Today Show

And, uh, her dad actually introduced us, um

And I could tell she really didn't wanna be there

She was, uh

She was really tired, The Today Show's at, y'know, crack of dawn and

Her dad dragged her out of bed, and she, uh

There's actually a video of us first meeting, it's really funny and she

That was our, that was our first time meeting

My squishy little peanut

Love you Hailey
