The Killers, Exitlude

Aggressively, we all defend the role we play.
Regrettably, time's come to send you on your way.
We've seen it all: bonfires of trust, flash floods of pain.
It doesn't really matter, don't you worry it'll all work out.
No it doesn't even matter, don't you worry that ain't what it's all about.

We hope you enjoyed your stay It's good to have you with us Even if it's just for the day We hope you enjoyed your stay Outside the sun is shining Seems like heaven ain't far away It's good to have you with us Even if it's just for the day
