

The Kingston Trio, Gaze On Other Heavens

I was hopin' that you'd come to me. It's plain that I can see that you are cryin', yes, you are cryin'.
Yeah, I have often lied to cover up my pride and I have hurt you, yes, I have hurt you.
Let us be together as we face this stormy weather. Gaze on other heavens. Don't you cry. Don't you
I have other friends. I think that they're the end, but I just love you. I just love you.
It goes on and on, longer than a song and I will need you. I will need you.
Let us be together as we face this stormy weather. Gaze on other heavens. Don't you cry. Don't you

La, da,da,da,da,da,da,da,da,da, wheeeeeee yeah.

Let us be together as we face this stormy weather. Gaze on other heavens. Don't you cry. Don't you

I was hopin' that you'd come to me. It's plain that I can see that you are cryin', yes, you are cryin'.
Yeah, I have often lied to cover up my pride and I have hurt you, yes, I have hurt you.

Oh, don't you cry. Oh, don't you cry. Oh, don't you cry.
