

The Kingston Trio, Love's Been Good To Me

Chorus:

I have been a rover. I have walked alone. Hiked a hundred highways. Never found a home.
Still and all, I'm happy. The reason is, you see, once in a while, along the way, love's been good to

There was a girl in Denver before the summer's storm. Oh, her eyes were tender. Oh, her arms were
And she could smile away the thunder. Kiss away the rain and even though she's gone away, you

(Chorus)

There was a girl in Portland before the winter chill. We use to go a-courtin' along October hill,
And she could laugh away the dark clouds. Cry away the snow. It seems like only yesterday as do

(Chorus)

Once in a while along the way, love's been good to me.
