

The Kooks, Love It All

See I've got this woman here
She loves me all the time
No need for excuses
And no pressure's in my mind

She said
Love it all
Love it all
Love it all

My heart was living down
And I've been pushed over the line
But on your hand It'd be broken
And I'll be all over this time
Cause she said

Love it all
Love it all
Love it all

She said
Love it all
Love it all
Love it all
