

# The Lemonheads, Losing Your Mind

what a comfort to find out you're losing your mind  
when you re-realize that it's not the first time  
you burnt the beyond when you learned how to fly  
just to learn later on that there isn't a sky  
there aren't any clouds and there aren't any trees  
there aren't any birds and there's no cinder caught in my eye

'till I've tied a tired knot and tried to untie it  
just can't decide if I should lie or tell the truth and try to hide it  
'till I've tied a tired knot and tried to untie it  
just can't decide if I should lie or tell the truth and try to hide it
