

# The Mamas & The Papas, Go Where You Wanna

You gotta go where you wanna go  
Do what you wanna do  
With whoever you wanna do it with

You gotta go where you wanna go  
Do what you wanna do  
With whoever you wanna do it with

You don't understand  
That a girl like me can love just one man  
Three thousand miles, that's how far you'll go  
And you said to me  
"Please don't follow"

You gotta go where you wanna go  
Do what you wanna do  
With whoever you wanna do it with

You gotta go where you wanna go  
Do what you wanna do  
With whoever you wanna do it with

You don't understand  
That a girl like me can love just one man  
You've been gone a week and I tried so hard  
Not to be the cryin' kind  
Not to be the girl you left behind

You gotta go where you wanna go  
Do what you wanna do  
With whoever you wanna do it with

You gotta go where you wanna go  
Do what you wanna do  
With whoever you wanna do it with

You gotta go where you wanna go  
Do what you wanna do  
With whoever you wanna do it with
