

The Mamas & The Papas, Pearl

First star I see tonight
I wish I may, I wish I might
Have the wish I wish tonight

A banker's daughter or a runaway girl
A little lady or a honky-tonk pearl
Has to find someplace in this world
Where she feels at home
A banker's daughter is so hard to deceive
A little lady is so hard to please
Honky-tonk pearl wears her heart on her sleeve
And her heart will not grow cold

First star I see tonight
I wish I may, I wish I might
Have the wish I wish tonight

Here's a wish for a runaway girl
Here's a prayer for honky-tonk pearl
Hope she finds someplace outta this world
Where she feels at home

First star I see tonight
I wish I may, I wish I might
First star (First star)
I see tonight (I see tonight)
I wish I may, I wish I might
I wish I may, I wish I might
Have the wish I wish tonight
