

# The Mamas & The Papas, Safe In My Garden

Safe in my garden  
An ancient flower blooms  
And the scent from its nature  
Slowly squares my room  
And its perfume being such  
That it's causing me to swoon  
Could it be we were hot-wired?  
(Safe in my garden, an ancient flower blooms)  
Late one night, we're very tired  
They stole our minds and thought we'd never know it  
(And the scent from its nature slowly squares my room)  
With a bottle in each hand, too late to try to understand  
We don't care where it lands, we just throw it

Somebody take us away  
Somebody take us away

Safe in my garden  
(Could it be we were hot-wired, late one night we're very tired)  
An ancient flower blooms  
(They stole our minds and thought we'd never know it)  
And the scent from its nature  
(With a bottle in each hand, too late to try to understand)  
Slowly squares my room  
(We don't care where it lands, we just throw it)  
(Somebody take us away)  
And it's perfume being such  
That it's causing me to swoon

When you go out in the street  
So many hassles with the heat  
No one there can fill your desire  
Cops out with the megaphones  
Telling people stay inside their home  
Man, can't they see the world's on fire?

Somebody take us away, take us away

Safe in our garden  
An ancient flower blooms  
And the scent from its nature  
(Cops out with the megaphones  
Tellin' people stay inside their homes)  
Man, the world's on fire)  
Slowly squares my room

Take us away, take us away
