

The Michael Gungor Band, :Grace For Me

Words and music by Michael Gungor and Michael Rossback

This jar o clay and all its weakness;
Somehow inside dwells Your fullness.
Even though I'm not yet flawless,
You are forming me.

Your grace for me is all I need
All I need is here

Your grace for me
Is all I need
All I need is here

Everything that I desire really may not meet my needs.
Help me to seek first Your kingdom.
You'll provide for me.

Your grace for me
Is all I need
All I need is here
Your grace for me is all I need
All I need is here

Valleys come and tears aren't dry yet and there are things I don't yet see.
But I'll rejoice despite the hardship; You are forming me.
Your grace for me is all I need
All I need is here
Your grace for me is all I need
All I need is here
All I need
All I need is here in You
