

# The Moffatts, Don't Judge This Book

If they only knew  
How I felt inside  
Maybe they'd understand  
If they only knew  
What I could do  
Maybe they'd understand

Just give me a chance  
and I'll prove it to you  
There's so much I can do  
Don't judge this book by its cover  
I just look different than you

We've all got our talents  
We're not all the same  
I wish they'd understand  
If they'd look past this cover  
the story begins  
Maybe they'd understand

Just give me a chance  
and I'll prove it to you  
There's so much I can do  
Don't judge this book by its cover  
I just look different than you

It's not the clothes I wear  
Or the color of my hair  
I've got the will and I've got the heart  
I just wish someone would care

Just give me a chance  
and I'll prove it to you  
There's so much I can do

Don't judge this book by its cover  
I just look different than you (repeated)
