## The Motorhomes, I Wanna Make You Sing

Im standing here Next to you Wondering if This time I might pass As something else, something more Not a friend Im not your friend I wanna make you sing III tell you everything If I can make you sing Id give anything Just to hear you sing I wanna make you sing I wanna make you sing Im so sorry I made you worry I wasnt sane I acted like a mad man But I couldnt stand Your proposition Let us just be friends Im not your friend But Im not that lucky Im never that lucky
