

The Muffs, Pennywhore

You're a maybe
When you want someone
A baby when you're not the one
Oh baby you're just a pennywhore

You cry big
When you want some fun
And lie, pig, for anyone
Oh baby you're just a pennywhore

You can do it so much better
All your life a real homewrecker
All your life a real homewrecker
Coming out the door

(Repeat First Verse and Chorus)
