

# The Naked Brothers Band, If That's Not Love

If that's not love then what is?  
If that's not friendship then what is?  
If that's not music then what is?  
We've got the music in our blood  
Magic seasons and then we're done  
Magical feeling has begun  
Magical feeling has begun  
Before you know it we are there  
On top of the world it seems  
I don't know who or why or where  
But I can still hear the music  
If that's not love then what is?  
If that's not friendship then what is?  
If that's not music then what is?  
We've got the music in our blood  
Magic seasons and then we're done  
Magical feeling has begun  
Magical feeling has begun  
Before you know it we are there  
On top of the world it seems  
I don't know who or why or where  
But I can still hear the music  
If that's not love then what is?  
If that's not friendship then what is?  
If that's not music then what is?  
If that's not music then what is?  
If that's not music then what is?  
If that's not music then what is?  
If that's not music then what is?  
If that's not music then what is?  
If that's not music then what is?
