

The Naked Brothers Band, If That's Not Love

If that's not love then what is?
If that's not friendship then what is?
If that's not music then what is?
We've got the music in our blood
Magic seasons and then we're done
Magical feeling has begun
Magical feeling has begun
Before you know it we are there
On top of the world it seems
I don't know who or why or where
But I can still hear the music
If that's not love then what is?
If that's not friendship then what is?
If that's not music then what is?
We've got the music in our blood
Magic seasons and then we're done
Magical feeling has begun
Magical feeling has begun
Before you know it we are there
On top of the world it seems
I don't know who or why or where
But I can still hear the music
If that's not love then what is?
If that's not friendship then what is?
If that's not music then what is?
If that's not music then what is?
If that's not music then what is?
If that's not music then what is?
If that's not music then what is?
If that's not music then what is?
If that's not music then what is?
