

# The National, Somebody Desperate (From "Cyrano"

Why can't I say anything  
It never has no meaning?  
I can't breathe, I can't speak  
I don't know what I'm feeling

That wasn't me, I don't know who that was  
That was somebody desperate, someone in love  
Why can't I tell anybody the truth?  
I'm somebody desperate, I don't know what to do

You have no idea, do you?  
But I do  
I just don't know what to say  
'Cause I'm so, so afraid

That wasn't me, I don't know who that was  
That was somebody desperate, someone in love  
Why can't I tell anybody the truth?  
I'm somebody desperate, I'm somebody just like you

I know you won't understand what I'm going through, but I do  
Sometimes I think you're my twin, sometimes I'm so confused

That wasn't me, I don't know who that was  
That was somebody desperate, someone in love  
Why can't I tell anybody the truth?  
I'm somebody desperate, I don't know what to do

I just don't wanna lose you  
But I do  
I always do
