

# The Neighbourhood, Devil's Advocate

Trade the whip out for a bike  
Designer for soem nikes  
Switch the stripper for a wifr  
Black tie for a white T

I've been moving lightspeed  
I don;t want to try  
Keep it cool like ice tea  
If i seem shy

Cause you seem shiesty  
Sellin what you buy  
Just product of the 90s  
If you close your eyes  
That's wherte you'll find me

I'm the devil advocate  
You don't know the half of it  
Good luck tryna manage it  
Od a god is a dog  
And a mani s a fraud  
Then i am lost cause

22's on the ride  
Put me back a 5 piece  
Same ticket for the rent  
But i split it with a diem piece  
Married all my friends  
Tehy don't always like me  
Stay together for the kids  
Gotta do the right thing

I'm the devil advocate  
You don't know the half of it  
Good luck tryna manage it  
Od a god is a dog  
And a mani s a fraud  
Then i am lost cause
