

The Neighbourhood, Pretty Boy

Even if the earth starts shakin'
You're the only thing worth takin'
With me

Even if the sky's on fire
Got you here t's alright
With me

If it's all over
I am taking this moment
With me

Wherever i am going
Happy you're coming
With me

Pretty boy
You did this whit me boy
Now it's all about to end
Baby girl
Look where we made it girl
Now we're fallin

As long als i got you
I am gonna be alright
As long als i got you
I am not afraid to die

Even if my heart stops beating
You're the only thing i need
With me

Even if the earth starts shakin'
You're the only thing worth takin'
With me

Even if the sky's on fire
Got you here t's alright
With me

If it's all over
I am taking this moment
With me

Wherever i am going
Happy you're coming
With me
