

The Pogues, Five Green Queens And Jean

(Shane MacGowan and Jem Finer)

I recall the moment
Before it slipped away
When 5 green queens
On a black bin bag
Meant all the world to me

And I recall the moment
More distant than it seems
When 5 green queens
On a black bin bag
Meant all the world to me

And I recall the moment
Much closer than it seems
When 5 green queens
On a black bin bag
Meant all the world to me

And I recall the moment
Before it slipped away
When 5 green queens
On a black bin bag
Meant all the world to me
