The Pogues, I love you 'till the end

I just want to see you When you're all alone I just want to catch you if I can I just want to be there When the morning light explodes On your face it radiates I can't escape I love you 'till the end I just want to tell you nothing You don't want to hear All I want is for you to say Why don't you just take me Where I've never been before I know you want to hear me Catch my breath I love you 'till the end I just want to be there When we're caught in the rain I just want to see you laugh not cry I just want to feel you When the night puts on its cloak I'm lost for words don't tell me All I can say I love you 'till the end
