

# The Polyphonic Spree, Section 9 (Light & Day/Re

Light  
And day  
Is more than you'll say  
'Cause all  
My feelings  
Are more  
Than I can let by  
Or not  
More than you've got  
Just follow the day  
Follow the day and reach for the sun

You don't see me fly into the red  
One more you're done  
Just follow the seasons and find the time  
Reach for the bright side  
You don't see me fly into the red  
One more you're nuts  
Just follow the day  
Follow the day and reach for the sun

Just follow the day  
Follow the day and reach for the sun  
You don't see me fly into the red  
One more you're done  
Just follow the seasons and find the time  
Reach for the bright side  
You don't see me fly into the red  
One more you're nuts  
Just follow the day  
Follow the day and reach for the sun

Just follow the day  
Follow the day and reach for the sun

Just follow the day  
Follow the day and reach for the sun
