The Postal Service, Against All Odds

How can I just let you walk away Just let you leave without a trace When I stand here

Taking every breath with you You're the only one who really knew me at all

How can you just walk away from me When all I can do is watch you leave? 'Cause we shared the laughter and the pain And even shared the tears You're the only one who really knew me at all

So take a look at me now
There's just an empty space
There's nothing left here to remind me
Just the memory of your face
Take a look at me now
There's just an empty space
You coming back to me is against the odds
And that's what I've gotta face

I wish I could just make you turn around Turn around and see me cry There's so much I need to say to you So many reasons why You're the only one who really knew me at all

So take a look at me now There's just an empty space There's nothing left here to remind me Just the memory of your face

Take a look at me now There's just an empty space And to wait for you is all I can do And that's what I've got to face

Take a look at me now I'm just standing here And you coming back to me Is against the odds And that's a chance I've got to face

So take a look at me now Take a look at me now
