

# The Pretty Reckless, Take Me Down

Been waitin at these crossroads  
Forever and a day  
On a guy to buy my soul

I spend all night and day  
How much harder can I play  
You know I gave my life to Rock n' Roll

Here we go

Momma begged me please  
Yes she got down on her knees  
Said 'You'll burn in that Mississippi sun'  
But I'm the only one that's standing here  
So Mama don't you have no fear  
I'm either last or I've already won..

Here I go

Take me down  
(won't you)

Standing at the crossroads  
A dried up pen in hand  
The conversation went like this  
'Tell me your desire why you pulled me from the fire  
and we'll seal the deal with a kiss'  
said 'I wanna raise the dead  
Find a note that I can shred  
On my walls I scrawl my gods  
Don't care what happens when I die  
As long as I'm alive  
All I wanna do is Rock'

Take me down  
(won't you)

Sign with the devil

Take me down  
(won't you)
